# LIBRARY AT ST PAUL'S COLLEGE

St Paul's College Library is dedicated to instilling Catholic values and promoting excellence by nurturing mind, body and soul.

The library is at the heart of the school and a place where students and staff can find reading and information resources. It's a quiet space and a social space where everyone is welcome.

Our library is a dynamic environment with collections that empower students' learning.

We are open from 8.00am to 2.30pm Monday to Friday.

Our collection includes junior and senior fiction, graphic novels and manga, non-fiction and magazines.

*St Paul's men who read achieve.*

Every year we have a team of 16 student librarians who help before school and during break times. They help with shelving, issues, returns and displays.

Students can borrow four books at a time and have them for three weeks.

All classes from Years 7-10, and all English classes, visit the library once a week.

## LIBRARY APP

We have a library app that can be accessed within school and from home which is full of information including: the latest books, library events, recommended book lists, high-interest stories and articles and access to reliable, trust-worthy websites for inquiry learning and research.
