LIBRARY AT ST PAUL'S COLLEGE

The St Paul's College Library is dedicated to instilling Catholic values and promoting excellence by nurturing mind, body and soul.

The library is at the heart of the school and a place where students and staff can find reading and information resources. It's a social space where everyone is welcome.

Our library is a dynamic environment with collections that empower students' learning.

We are open from 8.00am to 2.30pm Monday to Friday.

Our collection includes junior and senior fiction, graphic novels and manga, non-fiction and magazines.

St Paul's men who read achieve.

Every year we have a team of student librarians who help before school, and during break times, with shelving, issues, returns and displays.

Students can borrow four books at a time and have them for three weeks.

All classes from Years 7-10, and all English classes, visit the library once a week.

LIBRARY WEBSITE

We have a library website that can be accessed online and includes information on the latest books purchased for the library, upcoming and past library events, recommended book lists and articles, and a list of reliable, trust-worthy websites for inquiry and research.
